Who are we?

The Complex Health Needs Service is made up of a group of specialist health care professionals. We provide assessment, advice, therapeutic intervention and support to adults who have learning disabilities and complex health needs.

We Can Help You With:

- Medical issues
- Physical health
- Mental health
- Counselling
- Personal relationship issues
- Challenging Behaviour
- Equipment
- Rehabilitation
- Development of skills
- Access to other services

Who can use this service?

Anyone aged 18+ with learning disabilities who lives in the Bath and North East Somerset area.

How to access the service?

You may ask for help to access the service through any of the following:

- GP
- Other professionals working with you
- Family/Carer

You can also self-refer.

Please contact the office for further information and to request a referral form.

Alternatively, referral forms can be found on our webpage at www.sirona-cic-org.uk.
